STAT

During the coordination of [ ] Procedures for the Conduct of Interagency Liaison, you expressed an interest in seeing any changes made in the proposal as a result of coordination. All the coordinators concurred in the regulation as proposed. The Plans Directorate in concurrence however, requested that for the purpose of the regulation, as applied to the Plans Directorate, USIA and AID be considered USIB

Agencies. The Domestic Contact Service has agreed to this request and, further, that such a provision need not be included in the regulation. Attached is a copy of the proposal. I plan to authenticate the regulation unless you have questions regarding the request made by the Plans Directorate.

## 4. PROCEDURES FOR THE CONDUCT OF INTERAGENCY LIAISON

a. GENERAL. This paragraph establishes policy and responsibilities for the conduct of official liaison in the United States between the Central Intelligence Agency and other U.S. Government agencies.

b. POLICY. CIA components will engage in interagency liaison as necessary to carry out their assigned mission. Because of special security considerations in conducting liaison with non-USIB Government agencies, contact with these agencies will be centrally arranged, coordinated, and monitored within CIA.

## c. RESPONSIBILITIES

(1) USIB Liaison. Deputy Directors, Heads of Independent Offices, and Operating Officials are responsible for conducting liaison with USIB agencies, except where primary liaison responsibilities are specifically delegated to certain of these officials by other regulatory issuances.

## (2) Non-USIB Liaison

(a) The Director, Domestic Contact Service is responsible for

- (1) making liaison arrangements with non-USIB Government agencies;
- (2) assisting, guiding, and advising all components requiring contact with non-USIB Government agencies;
- (3) maintaining a current roster of Agency personnel involved in continuing liaison with non-USIB Government agencies.

(b) Deputy Directors, Heads of Independent Offices, and Operating Officials will

- (1) request the Domestic Contact Service to make arrangements for ad hoc and continuing liaison of their components with non-USIB Government agencies; and
- (2) furnish to the Domestic Contact Service on a continuing and current basis the names of their personnel regularly engaged in liaison with non-USIB Government agencies.

(c) Accepted from the Liaison

- (c) Excepted from the provisions of subparagraph c(2) are  
(1) specialized liaison established by CIA regulations,  
(2) liaison pertaining to security investigations,  
and (3) liaison conducted by the Clandestine Service.  
These exceptions, however, do not eliminate the requirement in subparagraph c(2)(b)(2) to provide the Domestic Contact Service with the names of personnel regularly engaged in liaison with non-USIB Government agencies.

25X1 Regarding the memo we prepared for your signature to ExDir on [ ] revision. You asked about what happened between publication of DDI 25X1 organization change ([ ] in Feb 1967) to the present action to change [ ]. There was no action until July 1969, when Colonel White asked all Deputies to review their regulations that needed update. The attached background details the action taken from July 69 to present. It is a very long and agonizing story on a highly controversial issue.
